

## Flexibility & Quality

A suitable interim-lawyer at your service in three steps. Available according to your wishes. With the exceptional quality you may expect from a true professional and which you are used to when it comes to our services.

Step 1 – you call 020-6125522 and inform us about your needs  
– we advise you on the most suitable profile  
– we search and select candidates and contact them personally

Step 2 – we report back on the most suitable and available candidates  
– you decide which candidates you would like to meet in person  
– we arrange the introduction at your office

Step 3 – you meet the chosen candidates  
– we are present at that meeting to evaluate and advise; you choose  
– start of the interim lawyer's activities; your needs have been met

After 2 weeks we will contact you for an evaluation

\*Legal People Interim Solutions invests a great deal of time in the interviewing of experienced, independent interim lawyers. We know almost every interim lawyer in our database personally and we only introduce candidates to our clients that have met with one of our consultants previous to the introduction.
